HHHS results pending for surveillance testing of Long-Term Care residents and staff

Many community members have heard it reported through the media that the results of our COVID-19 surveillance testing for Long-Term Care residents and staff have been negative. We are, in fact, **unable to confirm at this time** as the **majority of our test results are still pending**. There have been no positive cases to date, which is, of course, welcome news. HHHS will communicate further – directly with families and staff first, and then with the public and media – as results become known. COVID-19 surveillance testing was completed last week at HHHS for all Long-Term Care residents and staff, as mandated by the Government of Ontario.

About Haliburton Highlands Health Services

Leaders in Innovative Rural Health Care

Haliburton Highlands Health Services, working with partners and accountable to our community, promotes wellness and provides access to essential, high quality health services including: Primary Care, Hospital (Acute Inpatient and Emergency Care) Long-Term Care, End-of-Life Care, Mental Health & Addictions Services and Community Support Services.

About Haliburton Highlands Health Services Foundation

The Haliburton Highlands Health Services Foundation is an incorporated registered Canadian charity that financially supports the hospitals and health care facilities in Haliburton County, for capital projects, equipment, education programs and community support services. The money is raised through personal, business & corporate donations, special events, promotions, annual giving and the special gift program. The Foundation is governed by a volunteer Board of Directors who dedicate their time and expertise to have better health care and hospital facilities. The Foundation does not provide funds for the operation of the facilities.
